*Presentation of the*

**HENRY D. CHADWICK MEDAL**

to

**EARLE B. WEISS, M.D.**

The Chadwick Medal is the highest honor awarded by the Massachusetts Thoracic Society. It is given for "meritorious contributions in the study and treatment of tuberculosis and other thoracic diseases."

The first Medal was awarded at the 1964 Annual Meeting of the Massachusetts Thoracic Society to Henry D. Chadwick, M.D., who served as Superintendent of sanatoria in Vermont and Massachusetts, Commissioner of Public Health for Massachusetts, President of the National Tuberculosis Association (now the American Lung Association), President of the American Trudeau Society (now the American Thoracic Society), and President of the Massachusetts Thoracic Society.

## EARLE B. WEISS, M.D.

The Chadwick Medal, the highest honor awarded by the Massachusetts Thoracic Society, is made to individuals for "meritorious contributions to the study and treatment of tuberculosis and other thoracic diseases". The medal was named for and first awarded to Henry D. Chadwick, M.D., in 1964. Since then 23 men and women have been so honored. Today the name of Earle B. Weiss, M.D. joins the list of distinguished individuals.
